Correction to *Boletim do Museu de História Natural do Funchal*, Vol. LXXII (2022), Art. 365: 27-54. Published on-line: 31 December 2022.

In the originally published version of this article, *Euphorbia maculata* L. (p. 36) and *Hedychium coronarium* J. Koenig in A. J. Retzius (pp. 42-43) were incorrectly listed under "First records from Madeira". They must be considered as "Other previously recorded taxa" since JARDIM & SEQUEIRA (2015) had already recorded these species from the island of Madeira.

In the Abstract, when reading "xx of them for the first time." ["xx deles pela primeira vez,"], should read "26 of them for the first time." ["26 deles pela primeira vez,"].
